

Bangalla Web Services WebStore Request Sign-Up Form

As a Big Commerce authorized partner, Bangalla offers our customers access to a fully featured web store program backed by our internal design, management, and integration services. All web stores come with free order integration and free access to monthly Gold dropship services for the first year.

With Bangalla you can choose to either set the store up yourself or have our design team get your store designed and launched. Please choose the Webstore program you prefer and any options and we will work with you to setup your new webstore.

DIY Organic Webstore Store* _____ (\$195 setup + Big Commerce pricing per mth)

Custom Designed Webstore* _____ (\$545 setup + Big Commerce pricing per mth)

**Includes all product and category loading onto your new store, establishing order integration so your orders flow seamlessly into the Bangalla backend systems, and setting up internal SEO per product.*

Custom design fees include addition of logo, banners, and setting up the store for launch. (Setup fees for both services exclude SSL, premium template, reprogramming or any Big Commerce fee. All fees are non-refundable.)

Bangalla also offers some additional services which you can add to your webstore program and are in addition to fees listed above:

Webstore Optional Add-Ons

Website Support Pack _____ **\$99/mth.** *Have Bangalla manage your webstore, add new banners periodically and generally ensure your site is working in top shape.*

**Above fees are for templates as shown only. Any requested changes to templates will incur redevelopment fees*
